

## 5 Bedroom Luxury Architectural Design – Mantse House Plan

Home Plan Price:  
**\$3,997**

### Description

Many families in Ghana, Nigeria, Liberia, and across Africa dream of building a spacious, beautiful home that becomes a lasting legacy for generations. Yet without the right plan, they risk wasting money on incomplete designs, facing delays getting permits approved, and building a home that doesn't match their vision.

**The Mantse House Plan changes that.**

This architectural masterpiece offers **five spacious bedrooms and five and a half bathrooms**, blending luxury, functionality, and timeless design. From the moment you step into the grand foyer overlooking a private study, you'll feel the difference a well-crafted plan makes. Entertain with ease in the expansive living and dining rooms, complete with a bar and an adjoining terrace perfect for gatherings.

The home features a lavish kitchen with dedicated storage and utility rooms, a private kitchen terrace for relaxed mornings, and two generously sized bedrooms with private baths. Two additional bedrooms come with walk-in closets and ensuite bathrooms, while the **grand master suite** offers a luxurious bath and walk-in closet, providing the perfect retreat after a long day.

This plan also includes a **two-bedroom pool house with a changing room and bath** overlooking the pool, ideal for hosting guests or extended family in comfort. Visitors will appreciate the well-placed half bath, while your family benefits from practical features like extra storage space, a spacious driveway, a security area, and an **attached two-car garage** for convenience and safety.

We understand the stakes are high when building your dream home. That's why the Mantse House Plan equips you to:

- **Avoid costly mistakes** by providing complete architectural, structural, and engineering drawings that your builder needs.
- **Stay in control** of your project with clear timelines and expectations.
- **Build with confidence**, knowing you're creating a home that aligns with your vision and lifestyle.

This plan isn't just a house; it's your family's future, designed for comfort, gatherings, and the lifestyle you deserve.

Choose the Mantse House Plan today and take the first confident step toward building a timeless home for your family in Ghana or anywhere across Africa.
